Additional Notes for Sprouts

Phone # _____

Pick up Date _____

E-mail _____

All orders are subject to availability and quality at the time of pulling order. Because of high national demand for fruit trees, some orders won't arrive to Sprouts till mid June.

Sprouts will contact you after order is received to let you know any specific plant info, and to give total on order. We ask that you don't try to pay until we have reviewed order and have determined any possible problems with order including availability and plant quality.
